## INSTRUCTIONS

These cute little guys can be painted in any color and be cute! But here's what we did:

1. Paint the belly of the penguin with 2 coats of Snowflake.
2. Use your detail brush to paint the beak and the feet with 3 coats of Banana Boat.
3. Next, use 3 coats of your desired color for the body. We did Deep Sea on the big one and Sea Mist on the tiny penguin.
4. Use the back of the brush to make dots of Licorice for the eyes.
5. If desired, use your little detail brush and add eyebrows.

## TIPS

- 3 coats of paint will give you nice solid colors.
- The harder your press on your brush, the heavier the lines will be. So when you're filling in small spaces, use very light pressure.
