INSTRUCTIONS

1. Paint each band of the rainbow with 3 coats of color. We went in rainbow order: Red Hot, Squash Blossom, Sunny Side Up, Kiwi, Oceanscape, Perfectly Purple.
2. Paint the small section between the rainbow and the clouds with 3 coats of Just Blue to represent the sky.
3. For the clouds, water down London Fog with 50% paint and 50% water. Use the detail brush to apply a line of London Fog in the creases around the clouds. Diffuse the line of London Fog with water on your brush. This will create a shadow effect in the clouds.

TIPS

- Three coats of paint will give you a solid color. You can add water to the paint for a watercolor effect.
- The harder you push down on the brush the heavier the lines will be.
